

Sports Premium Funding Statement 2016-2017

For the academic year 2016-2017, Burley Gate C E Primary School has been allocated to date (March 2017)£4909 sports funding from the Government to enhance the PE provision of the school. This funding is given to all schools and the amount is based upon the number of pupils on roll. We will use the allocation to:

- Employ specialist PE Teachers and sports coaches to teach across the school.
- To purchase new equipment to supplement that already in school.
- To pay for transport to competitions across the county so more children can take part in inter-school events.
