

Burley Gate Bulletin

Burley Gate C.E. Primary School News

Friday 9th March 2018

Dear Parents, Carers, Pupils and Staff,

Thank you for your support and understanding during the recent adverse weather conditions, especially to those parents and staff who helped to clear the car park. This meant that we were able to open the school on Monday. We are now happily back in school and looking forward to the rest of this half term.

Next Wednesday, as part of Science Week, each House will be taking part in an investigative day based around materials, food and recycling. Each House will be judged not only on the scientific investigation skills they show but also on their co-operation and teamwork. We should be grateful if you could send in any paper/card bags from shops, as one of the activities is to investigate the strength of different bags that could be used to replace plastic ones. We should also be grateful for any yoghurt pots, disposable plastic or paper cups, balls or reels of thread, wool, string etc which could be used to make string telephones.

St Michael's School in Bodenham have also organised activities for Science Week, one of which is the Space evening on Thursday 15th March. Please return the slip, which was sent out yesterday, as soon as possible so I can inform the PTA of the numbers who will be attending from Burley Gate.

Yesterday we all thoroughly enjoyed Class 3's assembly which involved dance, singing, poetry, drama and story. This was all based around their study of Rudyard Kipling and they are now looking forward to their visit next week to Malvern Theatre to see the "Jungle Book".

For Sport Relief, which is on 23rd March, we plan to raise funds for this charity by allowing the children to come to school in any sports kit of their choice for a donation of £1. In the afternoon each class will take part in a skipping session with Mrs Dixon.

Kind regards
Beverley Donald
Headteacher

Having fun on World Book Day dressed as our favourite characters.

Congratulations to:

Hannah who competed in the Midland Taekwondo in February and

Harry who has achieved his Swim England Stage 4 Certificate

Dates for Your Diary
