#Hold Still 2020

The National Portrait Gallery has launched an exciting community project called Hold Still 2020. They are inviting everyone to submit their own photographic portrait, taken during these extraordinary times, which responds to one of the following themes: Helpers and Heroes / Your New Normal / Acts of Kindness. Over the next few weeks, you might like to practise your photography skills using smartphones or ipads, and submit a picture. More details can be found at
