

Welcome to Burley Gate Nursery

The setting benefits from a purpose-built provision with extensive indoor facilities and an outdoor area which provides a stimulating environment for young children. The Nursery Manager and Deputy Manager are well qualified and work closely with the EYFS teachers which ensures a smooth transition into reception. The EYFS staff provide a safe and stimulating environment where children have a range of opportunities that enable them to develop emotionally, socially, physically and academically. The children are encouraged to follow their own interests and we support them to grow as a unique individual whilst having lots of fun!
